For more than 100 years, the unique summer light of Old Lyme has inspired artists, infusing the landscape with its magical charm. Celebrating the joy of summer, the Lyme Art Association presents *LymeLight 2006* and invites all artist members to submit their work for this special exhibition. In addition to landscape and still life subjects, figurative, portrait, and other representational works in oil, pastel, watercolor, and sculpture are welcomed. Works by LAA member artists will be exhibited in the front three galleries and an invitational exhibition of works by the *Guild of Boston Artists* will be on view in the Goodman Gallery.
